**DOINGS IN THE POLICE COURT**

Most of the cases that came up in the Police Court yesterday were postponed. Those that were tried were convicted. Sakoda paid \$5 for heedless driving. Hiroki paid \$4 for the privilege of being drunk and it cost Manuel Macinos for indulging in a crap game. Ah Chew and Yee Fong were put over until this morning. Mrs. Chun Hee does not come up for trial until Friday. Sam Littee comes up Thursday to answer for breaking the arm of a young Portuguese boy. He is out now on \$250 bail. Keolanui, charged with selling liquor without a license, will be able to defend himself Wednesday.

At last a charge has been entered against Manuel Lagan. He is charged with embezzlement and his case comes up this morning. The shortage amounts to about \$1000. Lagan now denies that he ever confessed and says that his books were balanced weekly, and furthermore that three other employees have access to his cash drawer.

**IN MEMORY OF QUEEN****Hawaiians to Assist in Furnishing the Hospital.**

The new wing for the Queen's Hospital is approaching completion, the workmen being now engaged in finishing the interior. The new wing is a commodious structure and a most welcome addition to the main building, which is quite old.

There will be several wards and a number of private rooms, the whole building containing forty-two beds. The wards and rooms will be fitted up with the most approved furnishing for hospitals. There will also be an operating room and an anaesthetizing room, the equipment for which will be the most advanced in surgical appliances.

It is understood that C. R. Bishop is supplying the bulk of the means by which the building is being constructed and furnished.

A number of Hawaiians of the old Queen Emma regime, are contemplating doing something toward furnishing one of the wards or rooms. As the hospital was named after Queen Emma, its benefactress, they want to supply certain furnishings as a testimonial of their regard for their late sovereign.

**THE I. O. U. SYSTEM****Money Loaned to Police Was Borrowed Outside.**

H. M. Dow, chief clerk of the High Sheriff's office under former High Sheriff Brown, explains the system of I. O. U.'s in the police department, as follows:

"Before I came into the office the custom had been to pay the members of the entire police force in cash. The payment by warrant did not come into vogue until eight or more years ago. There was always considerable cash on hand and it was the custom to allow the men to give their I. O. U.'s and receive money during the month. This rule had been followed by my immediate predecessor, and I presume by clerks before him. I came into the office fifty years ago. No interest was ever charged the men.

"Later when a new High Sheriff came into office he did not favor the I. O. U. system and caused me to change it by having the men write in a book the amount of money that they borrowed from the funds. I did not like this system and when a new official took charge I changed back to the old I. O. U. system, as I considered that form more convenient. This method of loaning money was continued until the payment by warrant came into vogue and then it was discontinued. No interest was ever charged for the use of that money, and it had been a custom that had prevailed for years in the department.

"After the warrant system came into effect, Mr. Schnack loaned money to the men charging them interest, no money ever being loaned out of my office. He tired of loaning the money and decided that he would discontinue it. The men were considerably inconvenienced, and solicited me frequently to help them. I prevailed on Schnack to continue the thing for several months longer, and finally when he stopped it, and the men bothered me so much to help them, I finally consented and told them that if they wanted to pay me the interest that they had been paying Schnack, I would go out and borrow the money to accommodate them.

"They were satisfied with this arrangement and paid me the interest themselves at the end of every month. The interest was 10 per cent on the small amount, but from many of the men I would not accept a single penny of interest. The money used in loaning to the men was borrowed outside by me and was never taken from the government money in my department. I have gotten the High Sheriff to endorse my note and I have secured the money at the bank. The Sheriff did not receive any money for endorsing the notes. I presume that it was customary to loan from \$1,200 to \$1,300 every month.

"I did the thing to accommodate the men, and I always urged them to try and economize so as not to have to borrow the money during the month, but to have their full salary warrants drawn at the end of each month. I have frequently loaned some of the men more than the \$5 and \$10 that were the ordinary amounts borrowed, for frequently there was death or sickness in the families and the men required larger amounts."

**LIBEL SUIT AGAINST FORMER HONOLULAN**

Manila Town Topics says:

Charges of criminal libel have been filed by attorneys representing Senor Otero, of the New Oriente Hotel management, against Frederick O'Brien, the editor and lessee of The Cablenews, in Otero's behalf. For reasons not yet explained the complaint still lies in the office of the Prosecuting Attorney. Just when it will be turned over to the Clerk of the Court of First Instance is not announced.

Several days ago The Cablenews published an article under the caption, "New Oriente Hotel-Mixup," in which the paper made the direct allegations on which the complaint has been based. After publishing the facts in connection with the application of certain creditors of Simon Schner to the Court of the First Instance for the appointment of a receiver for the hotel the paper made the following editorial comment as the conclusion of the news story: "On the above grounds Senor Torres prays for the appointment of a receiver. As a matter of fact, if the creditors of the hotel were informed, they would lease the hotel to Dr. Bayer, who is the manager now. The caretaker (Otero) under Attorney Robles Laheza is drunk often. He acts like an insane man and is driving guests of the hotel away."

Mrs. L. C. Glover, Vice Pres. Milwaukee, Wis., Business Woman's Association, is another one of the million women who have been restored to health by using Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: I was married for several years and no children blessed my home. The doctor said I had a complication of female troubles and I could not have any children unless I could be cured. He tried to cure me, but after experimenting for several months, my husband became disgusted, and one night when we noticed a testimonial of a woman who had been cured of similar trouble through the use of Lydia E. Pinkham's Vegetable Compound, he went out and bought a bottle for me. I used your medicine for three and one half months, improving steadily in health, and in twenty-two months a child came. I cannot fully express the joy and thankfulness that is in my heart. Our home is a different place now, as we have something to live for, and all the credit is due to Lydia E. Pinkham's Vegetable Compound. Yours very sincerely, Mrs. L. C. Glover, 814 Grove St., Milwaukee, Wis." Vice President, Milwaukee Business Woman's Ass'n.

Women should not fail to profit by the experience of these two women; just as surely as they were cured of the troubles enumerated in their letters, just so certainly will Lydia E. Pinkham's Vegetable Compound cure others who suffer from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, and nervous prostration; remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.

**An Indiana Lady Tells of a Wonderful Cure:—**

"DEAR MRS. PINKHAM: It is a pleasure for me to write and tell what your wonderful medicine has done for me. I was sick for three years with change of life, and my physician thought a cancerous condition of the womb. During these three years I suffered untold agony.

"I cannot find words in which to express my bad feelings. I did not expect to ever see another well day. I read some of the testimonials recommending your medicine and decided to write to you and give your treatment a trial.

"Before I had taken half a bottle of Lydia E. Pinkham's Vegetable Compound, I began to sleep. I have taken now six bottles and am so well I can do all kinds of work."—Mrs. LIZZIE HINKLE, Salem, Ind.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. She can surely help you, for no person in America can speak from a wider experience in treating female ills. Address is Lynn, Mass.; her advice is free and always helpful.

**\$5000 FORFEIT** If we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.
